## LIFE DEPARTMENT.

I.—LIFE INSURANCE BRANCH.—The large proportion of NINE-TENTHS of the PROFITS is divided among the Policy-holders on the participating Scale every five years, and is allocated not only on the sums insured, but also on the previous additions.

The last Division of Profits was made as at 31st December, 1880, when there was declared a Bonus of £1 7s 6d per cent. per annum.

If taken as a percentage on the original sums in the Policies, this Bonus is equivalent to an addition of from £2 11s 4d per cent. per annum on the oldest Policies, to £1 7s 6d per cent. on those now for the first time entitled to participate.

II.—ANNUITY BRANCH.—ANNUITIES, Immediate, Contingent, or Deferred, are granted on favourable terms.

## FIRE DEPARTMENT.

The Company INSURES against FIRE almost every description of Property, at Home or Abroad, at the lowest rates of Premium corresponding to the Risk. The Policies of this Corporation now extend to cover Loss or Damage by Lightning to the Property insured, whether set on fire thereby or not.

THE Publishers of the POST-OFFICE GREENOCK DIRECTORY, in again placing before Subscribers and the Public the issue for 1882-83, have once more to express their thanks for former patronage. They have endeavoured to embody within its pages the latest and fullest information at their command on this occasion, and hope the volume will meet with the same favour, and have the same demand for it, as its predecessors have had extended to them.

The Plan of the Town, as heretofore, is by J. BARTHOLOMEW, Esq., F.R.G.S. Having been carefully corrected up to the present time, it may be relied on for its accuracy.

### RATES OF POSTAGE & CONDITIONS OF TRANSMISSION.

#### *Inland Letters.\**

The rates of postage to be prepaid are as follows,† viz. :—

For a letter not exceeding 1 oz. . . . . 1d

\* Inland letters are those which pass between places in the United Kingdom, including the Isle of Man, the Orkneys, Shetland, Scilly, and Channel Islands.

† If the weight be exceeded to the smallest extent, even though the balance be merely turned, the letter becomes liable to a higher postage. The same rule applies to letters going abroad. To provide, therefore, for errors in scales, &c., it is well to allow a little margin, or to pay the postage of the next greater weight.

For a letter <del>not</del> exceeding 1 oz. but not exceeding 2 oz.	.	1½d
„ „ 2 oz. „ „ 4 oz.	.	2d
„ „ 4 oz. „ „ 6 oz.	.	2½d
„ „ 6 oz. „ „ 8 oz.	.	3d
„ „ 8 oz. „ „ 10 oz.	.	3½d
„ „ 10 oz. „ „ 12 oz.	.	4d

A letter exceeding the weight of 12 oz. is liable to a postage of 1d for every ounce, beginning with the first ounce. A letter, for example, weighing between 14 and 15 ounces must be prepaid fifteenpence.

A letter posted unpaid is chargeable on delivery with double postage, and a letter posted insufficiently prepaid is charged with double the deficiency. On re-directed letters the charge for re-direction is the same whether prepaid or collected on delivery.

No letter may exceed the dimensions of one foot six inches in length, nine inches in width, and six inches in depth.

*Addresses to the Queen and Petitions to Parliament.*

Petitions and addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are either without covers or are in covers open at the sides. No letter, or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, will be charged as an unpaid letter.

NEWSPAPERS.—(I.)—*Inland.*

Subject to the following regulations Newspapers pass within the United Kingdom at the rate of one halfpenny each:—

1st. To have the privilege of passing as a Newspaper, the publication must first have been accepted as a Newspaper by the Postmaster-General, and have been placed on a Register at the General Post-Office, † from which it is liable to be removed, either through the non-renewal of the registration year by year, or in consequence of any change which may deprive it of the characteristics of a Newspaper.

Registration for inland circulation includes registration for transmission abroad.

2nd. It must be printed and published in the United Kingdom, must be published in numbers at intervals of not more than seven days, and must be printed on a sheet or sheets.

3rd. The full title and date of publication must be printed at the top of the first page, and the whole or part of the title and date of publication at the top of every subsequent page; and this regulation applies to "Table of Contents" and "Indices."

4th. A supplement must in every case be published with the Newspaper, and must have the title and the date of publication of the Newspaper printed at the top of every page; or, if it consists of engravings, prints or lithographs, at the top of sheet or side.

5th. For each Newspaper, whether posted singly or in a packet, the postage, when prepaid, is one-halfpenny; but a packet containing two or more registered Newspapers is not charge-

† The condition of admission to the Register may be ascertained on application to the Secretary of the Post Office.

- able with a higher rate of postage than would be chargeable on a book-packet of the same weight, viz., one-halfpenny for every 2 oz. or fraction of 2 oz.
- 6th. A Newspaper posted unpaid, and a packet of Newspapers posted either unpaid or insufficiently paid, will be treated as an unpaid or insufficiently paid book packet of the same weight.
- 7th. The postage must be prepaid either by an adhesive stamp or by the use of a stamped wrapper.
- 8th. No Newspaper can be sent through the post a second time for the original postage. For each transmission a fresh postage must be prepaid, except that in the case of re-direction the amount chargeable may be collected on delivery.
- 9th. Every Newspaper, or packet of Newspapers, must be posted either without a cover, or in a cover entirely open at both ends, and in such a manner as to admit of easy removal for examination. If this rule be infringed, the newspaper or packet will be treated as a letter.
- 10th. Every Newspaper must be so folded as to admit of the title being readily inspected.
- 11th. A Newspaper, whether posted singly or in a packet, which contains any enclosures except the supplement or supplements belonging to it, will be charged as a letter, unless the enclosure be such as might be sent at the Book-rate of Postage and the entire packet be sufficiently prepaid as a book-packet, in which case it may be allowed to pass.
- 12th. A Newspaper which has any letter, or any communication of the nature of a letter, written in it, or upon its cover, will be charged as an unpaid or insufficiently paid letter.
- 13th. No Packet of Newspapers must exceed 14 lbs. in weight, nor may it exceed two feet in length or one foot in width or depth.

Parliamentary Proceedings may be sent, under the Book Post privilege, to all the Colonies, and to those Foreign States between which and this country there is a Book Post.

BOOK POST.—(1.)—*Inland.*

A Book-Packet may contain, not only books, papers, or other substance in ordinary use for writing or printing, whether plain or written or printed upon (to the exclusion of any written letter, or communication of the nature of a letter), photographs, when not on glass, or in frames containing glass, or any like substance, and any thing usually appertaining to such articles in the way of binding and mounting necessary for the safe transmission by post, but also *Circulars*—*i.e.*, letters which appear from internal evidence to be intended for transmission in identical terms to several persons, and the whole or the greater part of which is printed, engraved, or lithographed.

- 1st. The postage is one halfpenny for every two ozs., or fraction of that weight.
- 2nd. The postage must be prepaid, either by adhesive stamps or by means of a stamped wrapper, or by a combination of the two: except at the Chief and District Post Offices, and the Branch Offices at Lombard Street and Charing Cross in London; and the Chief Offices in Edinburgh and in Dublin; where, from 10 a.m. till 8 p.m., it may be prepaid in money, provided the postage amounts to not less than £1 in any one case, and provided the packets are posted in bundles, each representing a postage of 5s.
- 3rd. A packet posted wholly unpaid will be charged with double the book postage, and if posted partially prepaid with double the deficiency.
- 4th. Every book packet must be posted either without a cover, or in a cover entirely open at both ends, and in such a manner as to admit of the contents being easily withdrawn for examination,\* otherwise it will be treated as a letter.
- 5th. A book packet may not contain any letter, or communication of the nature of a letter (whether separate or otherwise), not being a circular letter, or not wholly printed, nor any enclosure sealed or in any way closed against inspection, nor any other enclosure not allowed by section 9. (Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.) If this rule be infringed the entire packet will be charged as a letter.†

\* In order to secure the return of book-packets which cannot be delivered, the name and address of the senders should be printed or written outside thus, "From —, of —."

† It is the duty of the Postmasters, whenever they have ground for suspecting an infringement of any of the above conditions, and occasionally, even when there is no ground for suspicion, to open and examine book packets posted at, or passing through, their offices.

6th. No book packet may exceed 5 lbs. in weight, or one foot six inches in length, nine inches in width, and six inches in depth. Post Cards which bear a halfpenny impressed stamp are available for transmission between places in the United Kingdom only.

1st. The front or stamped side is intended for the address only. There must be nothing else written, printed, or otherwise impressed on it, nor must there be any writing or printing across the stamp. On the reverse side any communication, whether of the nature of a letter or otherwise, may be written or printed; but such communication must not extend to the front side. Nothing whatever may be attached; nor may the card be folded, cut, or otherwise altered. If any of these rules be infringed, the Card will be charged 1d on delivery.

2nd. No Card other than one of those issued by the Government will pass under a halfpenny stamp, if it bear on it a written communication of the nature of a letter.

*General Regulations.*

When, owing to an unusual and great influx of letters, books, &c., the transmission of delivery of the letters would be delayed if the whole mail were dealt with without distinction, book packets and post cards may be kept back until the next despatch or delivery.

It is forbidden to put forward by post any indecent or obscene print, paintings, photographs, lithographs, engravings, book or card, or any other indecent or obscene article, or any letter, newspaper, publication, packet, or card having thereon any other words, marks, or designs of an indecent, obscene, libellous, or grossly offensive character. Anything posted contrary to this prohibition will be stopped and sent to the Returned Letter Office.

Postmasters are instructed not to receive any letter which there is good reason to believe contains anything likely to injure the contents of the mail bag, or the person of any officer of the Post Office. If such a packet be posted without the Postmaster's knowledge, or if at any time before the despatch he should discover any such packet, he is directed not to forward it, but to report the case, with the address of the packet, to the Secretary. The following are examples of the articles referred to:—

A glass bottle, or glass in any form; razors, scissors, needles, knives, forks, or other sharp instruments; leeches, game, fish, meat, fruit, or vegetables; bladders, or other vessels containing liquids; gunpowder, lucifer matches, or anything which is explosive or liable to sudden combustion.

**PARCEL POST TO INDIA AND CEYLON.**

The Indian Parcel Post is not connected with the British Post Office; but is an arrangement between the Indian and Ceylon Post Offices on the one hand, and the Peninsular and Oriental Steam Navigation Company on the other.

The Company's circular on the subject is as follows:—

The Peninsular and Oriental Steam Navigation Company are authorised by the Director-General of the Post Office of India to receive parcels for delivery at any post town or district throughout India or Ceylon at a uniform rate of 1s per pound, or fraction of a pound weight.

This charge covers the conveyance from London to the address in India, &c. (but does not include Duty), and may either be prepaid or paid on delivery.

Parcels intended for this conveyance must be sent either to the Company's Office, 122 Leadenhall Street, E.C., or to their Branch

Office, 25 Cockspur Street, S.W., London, by 2 o'clock P.M. Monday in each week, legibly addressed to their destination in India, marked, "To be forwarded by Indian Parcel Post." If sent to the Company's Office by post or other conveyance, the Indian address must be put on an inner cover. In all cases they must be accompanied by a letter of advice to the Company, stating name and address of package, and value and contents, for Custom House clearance; and also distinctly stating whether carriage is to be prepaid or not. If for prepayment, a cheque or P.O. Order for the amount must be enclosed in the letter, payable to Mr A. M. Bethune, Secretary, or when sent to Cockspur Street, to Mr F. H. Firth, agent. Particular attention is requested to these regulations in order to save any delay in the despatch of Parcels.

Parcels conveyed under these regulations must not exceed 50 pounds in weight, and 2ft. x 1ft. + 1ft. in measurement, not be more than £50 value. Jewellery, gold and silver wares, watches or precious stones, are charged an additional *ad valorem* rate of 1s on every £5 or fraction of £5, which must be prepaid. They should be entirely closed, and any articles liable to suffer from crushing must be in a strong wooden case not less than half inch thick (tin lining optional). Packages not in wood must have an outer covering of stout canvas if measuring one cubic foot and upwards.

Senders of parcels from the country will receive a receipt for them from the Company in due course, and if required, the Company will effect insurance against sea and land risks. The charge for insurance, which must in all cases be prepaid, will be 1s up to £3 value, 2s 6d up to £10, 5s up to £20, 7s 6d up to £30, 10s up to £40, and 12s 6d up to £50.

Packages of a fragile nature, or containing liquids, or articles of a dangerous or damaging nature, will not be received.

**REDUCED RATES FOR BOOKS.**—Under the authority of the Director-General of the Post Office of India, the rate for the conveyance of book packets (as defined by the Post Office Guide, page 190) from London to British India, has been reduced to 6d per lb., or fraction of a lb.

If any other article is found enclosed in the book packet when examined by the Customs at Bombay, an extra rate of 2s per lb. on the package will be charged to the addressee.

No letter must, under any circumstances, be enclosed in these parcels.

If a receipt is required, a stamp and directed envelope must be enclosed in the advice.

If no advice accompanies the package, it will be liable to be charged at the 1s rate.

Remittances from the country must be by cheque, Post Office order, or penny stamps. Stamps of a higher denomination cannot be received, and they must not be defaced or affixed to the package.

### CUSTOM OF THE PORT.

The Chamber of Commerce and Manufactures of Greenock, at a General Meeting held this day, declare that the following is the Custom of the Port of Greenock, with reference to the matters herein referred to, applicable when no special stipulations are made in Charter Parties, or other binding documents:—

#### I.—ENTERING CARGO.

1.—When a Vessel has been reported at the Customs, the Master gives notice to the Consignee, and the latter is bound, within forty-eight hours after such notice, to enter the cargo at the Customs.

#### II.—BERTHING VESSEL AND DELIVERING CARGO.

1.—Vessels are bound to discharge at the Berths assigned by the Harbour Master, and Consignees are bound to take delivery of cargo from alongside when landed at the Quay at said Berths.

2.—In the case of Timber discharged into the water, the Consignee is not bound to take delivery unless the timber is inside a Harbour Basin, so that when the assigned Berth is not inside a Harbour Basin the ship is bound to float the timber into a Harbour Basin, and deliver it there.

3.—All Deals, Staves, or broken stowage must be landed on the Quay by the Ship.

#### III.—TIME FOR DISCHARGING WHEN NO NUMBER OF LAY DAYS IS SPECIFIED IN THE CHARTER PARTY.

1. When the Vessel is in the Berth assigned by the Harbour Master, the Master gives notice thereof to the Consignees, and the Master is bound to begin delivering, and the Consignee to begin taking delivery of the cargo within twenty-four hours thereafter, provided the time allowed for entering the cargo shall then have elapsed.

2. The Master is bound to tender, and the Consignee to receive, cargo each working day, weather permitting, at the following rates, unless a larger quantity is mutually agreed on, or unless modified by the Harbour Master, in virtue of the powers possessed by him under the Harbour Bye-Laws:—

a. Vessels laden with Sugar not exceeding 200 tons register are allowed one working day for every 50 tons of the estimated weight of the cargo; and vessels above that tonnage similarly laden are allowed one day for every 75 tons of the estimated weight of the cargo during the winter months (October to February inclusive), and for every 100 tons of such estimated weight during the remainder of the year, except in regard to Vessels with Brazil cases of Sugar, which are allowed one day for every 50 tons during the first period, and every 75 tons during the latter period.

- b. Vessels with Wood or Timber are allowed one day for every 100 loads of the cargo during the winter months, and for every 150 loads during the remainder of the year.
- c. The Discharge of Vessels laden with other non-dutiable goods to be carried on during the ordinary working hours according to the season of the year—unless when overtime is worked by mutual agreement, and consignees are bound, weather permitting, to keep the Discharge going continuously during said hours, and to receive and to remove the cargo from the Ship's gangway in such a way as to enable the work to be carried on without interruption throughout the entire discharge to the full extent of the ordinary hours allowed for carrying on the work.

#### IV.—LAY DAYS WHEN THE NUMBER IS SPECIFIED.

1. The Master gives written notice to the Consignee when the Vessel is in the Discharging Berth assigned by the Harbour Master and ready to discharge, and the lay days begin to count from the date on which the said notice is given ; but the day of giving notice does not count as a lay day unless the said notice is received by the Consignee before Twelve o'clock Noon.

2. In case the Harbours are so crowded that the Vessel cannot be berthed, the Master gives written notice to the Consignee when the Vessel is in the Harbour Basin or moored at the Quays, and, provided she would have been ready to begin discharging if the Berth had been available, such notice takes the place of that provided in the previous Clause.

3. Days (not described as " running days ") meaning working days—that is, Sundays and Customs and local holidays do not count.

4. When the number of lay days is specially mentioned for discharging, the master is bound to tender, and the Consignee to take delivery of a proportionate quantity of the cargo each working day, unless some other quantity is mutually agreed on.

NOTE.—Should the said proportionate quantity be less than the quantity specified above (Section III., Clause 2) the Master is bound to tender, and the Consignee to take delivery of the latter quantity each working day.

5. When the number of lay days for discharging is the unexhausted balance of a number specified for discharging and other purposes, the quantity to be tendered and taken delivery of each working day is the quantity specified above (Section III., Clause 2), unless a larger quantity is mutually agreed on.

6. A day does not count against the Consignee if the discharge is interrupted through failure of the Master to tender cargo as above stated.

#### V.—SETTLEMENT OF FREIGHT.

1. Freights on Wood and Timber from Ports in Canada and United States are payable one-third in cash on arrival, and the remaining two-thirds on right and true delivery of the cargo in good and approved Bills at four months, or in cash less four months' discount at the rate of five per cent. per annum, from the date of completion of discharge.

2. All other Freights, except Coasting and Continental Freights, are payable on right and true delivery of the cargo in cash, less one month's discount at the rate of five per cent. per annum, from date of Vessel's report at Customs, in cases of cargoes from Ports on this side of Cape Horn and the Cape of Good Hope, and less two months' discount at the said rate in cases of cargoes from Ports on the other side of the said Capes.

3. Freights on goods payable by weight are payable on the nett weight delivered, unless otherwise specially stipulated; except Coasting and Continental Freights, which are payable on the gross weight, unless otherwise specially stipulated. Freights payable by measurement are payable by calliper measure, unless otherwise specially stipulated.

4. When Freight is payable by a Bill at Usance on London or in cash equal thereto, cash without discount is meant, or a Bill for the same amount on London at such a date as the Banks here will grant without charge.

5. Approved Bills means Bankers' Drafts or Acceptances guaranteed by a Banker.

6. When the ship is consigned to charterers or their agents paying usual or customary commission, the consignee of the cargo is entitled to deduct two-and-half per cent. from the amount of freight payable by him.

NOTE.—When freight is to be paid in cash on right and true delivery of the cargo, without reference to the custom of the port, nett cash free from discount is meant.

BUY YOUR BOOTS AND SHOES AT THE

## “PERCY” SHOE HOUSE

AND REALLY SAVE MONEY.

---

THE system of selling Single Pairs of Boots and Shoes at *Manufacturer's Prices* has proved successful beyond the most sanguine anticipations of the Proprietor.

Ladies and Gentlemen daily visiting this model Shoe Depot are amazed and agreeably pleased at the very reasonable prices charged for HIGH-CLASS BOOTS and SHOES, frankly acknowledging the saving of from 20 to 30 per cent. less than paid to their former Shoemaker for the same Class of Goods.

We receive this testimony of our Customers in all truth, and would wish in passing to impress on the minds of those parties who have not yet favoured our Establishment with a visit that the Manufacturer who produces and directly thereafter offers for Sale his wares (no intermediate system of “dealing” stepping in to swell the charges), he only is in a position to offer special saving advantages over small shopkeepers, “dealers,” “factors,” etc.

Why pay 20s when you can receive equal value at the “PERCY” for 15s? The same honest saving holds good whether you purchase “Pinet's” Finest, or “PERCY's” Own.

The *Pro Bono Publico* System, only carried out at the “PERCY” of Selling Single Pairs of Boots and Shoes direct to the Public at MANUFACTURER'S PRICES, has made the name of “C. M. PERCY” and “Cheap Boots and Shoes” household words in Greenock.

### LIFE DEPARTMENT.

**T**HE Quinquennial Valuation to December 31, 1879, was made on the basis of the Institute of Actuaries' (HM) Table of Mortality and 3 per cent. interest. The valuation was strictly a net premium one, the whole of the loading being reserved.

The Valuation Balance Sheet showed a surplus of £143,194 6s 6d in the Life Assurance Fund, and of this sum it was decided to divide £140,000, leaving £3,194 6s 6d of undivided profit to be carried forward to the new Quinquennium. According to the regulations of the Company the sum to be divided was appropriated as follows:—

Four-fifths to the Policy Holders, ... ..	£112,000
One-Fifth to the Proprietors, ... ..	28,000

£140,000

A large proportion (upwards of one-fourth) of the Company's business is non-participating, and the sum of £112,000 was therefore divisible as a bonus among 3222 policies, assuring with existing bonuses £2,939,985 16s 6d. the annual premiums payable under which amount to £83,261 17s 2d. The proprietors' one-fifth share, amounting to £28,000, was the sole benefit for the past five years which they received from the Life Business in return for the guarantee afforded by the unusually large paid-up capital of the Company.
